Greetings to all!

Please, allow me to help explain the reason for requesting \$50,000 for our Crownpoint Chapter Veterans Organization. About 4 years ago, the Chapter allowed the Veterans request for an old building across the street from our Chapter. It was once a Head Start building. Later the Eastern Agency Veterans Office utilized it for many years until they purchased their own office. The building was approved for their use via a chapter resolution. The Crownpoint Veterans Organization have their own meetings and activities in that building. They lack nice furnitures, tables, chairs, file cabinets, etc. We were able to get the utilities started for the building. But, they lack propane to keep the building warm when they are present. We value our veterans. We do have approximately 95 Veterans registered here. We are also aware of many young men and women veterans who will be able to use the building going forward. They would like to have their own place to meet and we do respect that. So, here are the answers to your questions which our staff has been trying to explain:

1. What type of assistance will be provided to the Crownpoint Chapter Veterans? The Veterans will be supported by any means of assistance when available. Meanwhile, it is imperative that we as chapter help them with the request for furniture, possibly a new oven, propane and anything that we can possibly provide to them. Their meetings give them a sense of importance, respect, honor and emotional status. Of course, they appreciate material things and food when possible. We also expect them to do for themselves in planning activities. Electricity, water, and a propane tank are available.
2. How is the Crownpoint Chapter deciding who receives furniture, propane and broadband? The furniture, propane and broadband is all in their building The Veterans organization will be the owners of the furnitures, the propane will allow them heat and they requested broadband to allow internet use.
3. How many people will this project benefit? It will benefit 90+ Veterans and any new Veteran(s) / Military individuals who wish to be a part of this organization.
4. What kind of furniture is to be purchased? Furnitures which is normally used for meetings such as; A Rectangular Executive Table for officers, 5 Exec chairs, 40 tables, 100 folding chairs, "L" Shape desk for comp, for files, 1 computer desk, four (4) 4drawer file cabinets for files and supplies, 2 8'x4' dry eraser boards, possibly a speaker with a microphone.

The organization does have 5 officials and members who come for the meetings. Since they got the building, they have been excited to do more activities, but covid did not allow them to do much. Also, the furnitures will be included in the Crownpoint Chapter Inventory under the Veterans building. I hope this clarifies your questions. We look forward to the Veterans Organization to feel good about their own building which is presently without furniture, propane, and broadband. If allowable, we can add an oven and a furnace.

Regards,
Rita Capitan, Chapter President

Felicia,

I submitted your response to DOJ and they returned your package again and said that you did not answer question three. I will hold this here till I get your response. Thank You.

1. What type of educational assistance will be provided to Crownpoint Headstart? **CORRECTION VETERANS**

Assistance, to purchase furniture such table, conference tables, folder chairs, office swivel chairs and to pay for propane which is used as a heating source, install broadband connection for internet usage to send out emails as a means of communication, teleconference calls.

2. How is the Crownpoint Chapter deciding who receives furniture, propane, and broadband services?

The furniture, propane and broadband services will be for the Veterans Organization building and will benefit the Veterans, Veterans Organization, community membership and guest.

3. How many people or homes will the Crownpoint Chapter's Project benefit?

Clarification, this project will benefit the Veterans Organization, veterans, community, members and guests.

4. What kind of furniture is being purchased?

5 High-back Executive Chair for Veterans Organization Members such as (Veterans Commander, Vice-commander, Secretary and two members)

40 Indestructible commercial grade folding table for meetings (Veterans Organization hold 2 meetings per month and other Veteran activities and events monthly)

100 Black Stackable Chairs (provide seating during members and other activities provided during the month)

1 Rectangular Conference Table with 6 executive chairs

2, 66" L-Shaped with 42" return Contemporary laminate desk

1 Essential computer workstation desk, to work and complete projects needed for Veterans Organization

4, 4 drawer filing cabinet (to stay organized, keep files safe)

2, 8'x4' Porcelain Dry-Erase Boards, to provide information, take notes during meetings

February 6, 2023 returned questions, Chapter answer and resubmit.

1. Chapter's response to question 1, which asks for the type of assistance to be provided to Crownpoint. Please provide the type of assistance to be provided. Currently you only list the type of furniture to be purchased.

Furniture is needed for Crownpoint VETERANS organization, to enhance productivity and wellness within the organization. To provide a contemporary workplace setting, furniture plays an important role in the ambiance of the workplace, giving a safe atmosphere and comfortable feeling to all the occupants of the office. After usage of furniture, such as table, desk, chairs, filing cabinets, all items will be wiped down and disinfected to prevent any germs and practice a safe environment for all.

2. Chapters response to question 3, which asks how many people or homes will the Crownpoint Chapter's Project benefit. Please indicate how many people the project will benefit.

Once again, CLARIFICATION, assistance IS NOT GOING TO PEOPLE OR HOMES, it's going to the Veterans Organization and will benefit the VETERANS ORGANIZATION. This project will benefit the entire Veterans Organization, Veterans, community, members and guest.

When the pandemic arose, the veterans organization have been working on restoring their Veterans building which is now the Veterans Organization building. Since it has been opened, furniture is needed. Office desk, filing cabinets are needed for paper work, record keeping, for those who submit documents to the Veterans Organization. Office furniture will help keep work flow more efficient.

Propane- is a main source of heating. Propane is need right now, during the cold chill months, propane is a heating source and will heat up the building and prevent any water pipes to break.

Broadband-a means to communicate, provide real time information. High speed internet does work more efficient than wireless connection. Having teleconference meetings to those veterans and guest who are unable to come into the office will benefit from those connected meetings. Although some restrictions are being lifted, some are still skeptical of meeting in person and would like to still continue to meet through teleconference.

Other Comments: Under the law and Treasury guidance, tribal governments have additional flexibility with how they respond to the COVID-19 public health emergency and its negative economic impacts. Given the exacerbation of health disparities during the COVID-19 pandemic and the role of pre-existing social vulnerabilities in driving these disparate outcomes, Treasury’s guidance presumes that services to address health disparities are responsive to the public health impacts of the pandemic. Specifically, tribal governments may use Fiscal Recovery Funds to facilitate access to resources that improve health outcomes, including services that connect residents with health care resources and public assistance programs and build healthier environments. These services include, but are not limited to, housing services to support healthy living environment and neighborhoods conducive to mental and physical wellness.

The Project seeks to provide Crownpoint Headstart educational assistance, purchase furniture (e.g., tables and chairs), provide propane for a source of heat, and install a broadband connection or internet. The Documents state that these services will benefit Crownpoint Community Veterans and members. However, more information is needed to determine whether the Project is a legally allowable use under Category 1 – Responding to COVID-19. The application should be resubmitted and respond to the following four questions:

1. What type of educational assistance will be provided to Crownpoint Headstart?
2. How is the Crownpoint Chapter deciding who receives furniture, propane, and broadband services?
3. How many people or homes will the Crownpoint Chapter’s Project benefit?
4. What kind of furniture is being purchased?
